It is your responsibility to ensure work is done on time and correctly.

We will have 4 tests, roughly once every two weeks. The lowest test grade will be dropped. Tests will be announced at least one week in advance. *The Final Exam will be 8:00-10:30AM on Thursday, August 2.*

### Make-up Policy:

A **test** can only be made-up if there is a university excuse. You must notify me **BEFORE** the test.

It is the student's responsibility to make arrangements for any work and/or notes missed due to an absence. You ARE still responsible for any homework/assignments given, according to their due dates. Extensions will not be given for homework.

**Attendance:**

Regular class attendance is highly recommended, but not mandatory. You are now an adult who has the responsibility to set priorities regarding the manner in which you spend your time. With that responsibility comes the necessity that you accept the adverse consequences that your class grade may suffer if you decide to skip class.

**Calculator:**

You will need to purchase the TI-30XA. (It is about \$10 at the bookstore). No other calculators or phone apps will be allowed.

**Early Alert Grading:**

You will receive an Early Alert Grade one week prior to mid semester. The Early Alert Grade represents your current performance on class work graded at that point in the semester. Check the grading scale for this course so that you are aware of what percentage of the total points is represented by your Early Alert Grade. If your Early Alert Grade is a "D", "F", or "FA" you will receive an email from the Retention Coordinator.

**American with Disabilities Act (ADA):**

Students who need accommodations are asked to electronically submit their approved accommodations through AU Access and to arrange a meeting during office hours the first week of classes, or as soon as possible if accommodations are needed immediately. If you have not established accommodations through the Office of Accessibility, but need accommodations, make an appointment with the Office of Accessibility, 1228 Haley Center, 844-2096.

**Academic Honesty:**

All portions of the Auburn University student academic honesty code (Title XII) <https://sites.auburn.edu/admin/universypolicies/Policies/AcademicHonestyCode.pdf> will apply to this class. All academic honesty violations or alleged violations of the SGA Code of Laws will be reported to the Office of the Provost, which will then refer the case to the Academic Honesty Committee. **Tiger Cards will be checked before the Final exam.**

**Contingency Plan:**

If normal class and/or lab activities are disrupted due to illness, emergency, or crisis situation, the syllabus and other course plans and assignments may be modified to allow completion of the course. If this occurs, an addendum to your syllabus and/or course assignments will replace the original materials.

**ELECTRONIC DEVICES ARE NOT ALLOWED IN CLASS UNLESS GIVEN EXPLICIT PERMISSION BY THE INSTRUCTOR; IF THEY ARE SEEN DURING A TEST THEY WILL BE TAKEN UP AND YOU WILL RECEIVE A 0 ON THAT TEST. NO EXCEPTIONS!!**
